Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 30 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A wet start, but a drier and brighter afternoon.

Today:
Cloudy with some heavy rain first thing, however turning much drier and brighter by lunchtime. Sunny spells and the odd shower through the afternoon. Feeling fresher than of late, and rather breezy too. Maximum temperature 14 deg C (57 deg F).

Tonight:
Any showers soon dying out, then dry with largely clear skies for a while overnight, and feeling colder. Becoming windy later, with further heavy rain likely by the morning. Minimum temperature 3 deg C (37 deg F).

Sunday:
Another wet start to the day, with some heavy rain. Turning somewhat drier and brighter through the morning, with sunshine and a few afternoon showers. Very blustery. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:
Remaining changeable through the start of the week. Often breezy with some showers at times. Some sunny spells too, but temperatures below average for the time of year.
